Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Cwmaman Town Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council has not provided complete explanations for significant variances within the year. The Council must ensure its explanations are quantified.

Annual Governance Statement

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's internal controls and governance arrangements for the year:

- Internal auditor has answered 'No' to assertions 2,3,5,7 and 9 on the internal audit report. The Council must ensure amendments are made to ensure they're meeting the assertions as part of future audits.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

AGS: 1 In consultation with the community, we have developed a vision and purpose for the Council and used this vision to inform the Council's plans, budget and activities.

I draw attention to the negative response to assertion 1 in the Annual Governance Statement. In exercising its statutory functions, the Council will benefit from having a clear vision for its community that has been developed in partnership / consultation with all sections of the community. Developing this vision will help inform Council plans, budgets and activities to ensure the Council best works with and in the interests of the community.

Further information is provided in the Finance and Governance Toolkit for Community and Town Councils.

Publication of information

Section 50 of the Democracy and Boundary Commission Cymru etc. Act 2013 requires the Council to publish its audited accounts online. Regulation 5 of the Accounts and Audit (Wales) Regulations 2014 requires the Council to publish the Annual Governance Statement alongside the accounts. Regulation 15 of the 2014 Regulations requires the Council to publish along with the accounts, any certificate, opinion, or report issued, given or made by the Auditor General.

The Council has not yet published the 2022-23 and prior years accounts and audit opinion.

We recommend that the Council reviews its publication arrangements to ensure that all relevant documents are published as soon as practicable.

There are no further matters I wish to draw to the Council's attention.
