Audit Notice – Financial Year Ending 31 March 2026

Update on the Completion of Audit for 2025–26

Cwmaman Town Council wishes to inform residents and interested parties that the audit of accounts for the financial year ended 31 March 2026 has not yet been concluded by the Auditor General for Wales, as conducted by Audit Wales.

The Council's Annual Return for 2025–26 was approved by Full Council on 24 June 2026 and is available to view on the Council's website.

As the external audit has not yet been completed, the Auditor General for Wales has not yet issued a formal audit opinion. The published Annual Return is therefore unaudited and may be subject to amendment following completion of the audit.

The Council will:

- Publish the Auditor General for Wales' audit opinion and the final Annual Return once the audit has been completed.
- Issue the statutory Notice of Conclusion of Audit.

Should you have any questions, please contact the Clerk via the details below.

Signed,

Louise Dent LLB (She/Her)
